Re: Dr. Gerald Wissel / AIRBORNE Consulting Hamburg GmbH

To Whom It May Concern:

We have had the pleasure to work with Dr. Gerald Wissel of AIRBORNE Consulting on a number of various projects since 2009. Gerald helped us improve our strategy, structure, sales and operations and we've now been able to take this as a basis for further growth and success. The cooperation with AIRBORNE has always been very professional and success-oriented and he has been heavily involved with us on a number of different projects including:

- Arbitration expert witness testimony
- Evaluation of business opportunities
- Strategic planning
- Research
- Building and implementing organizational structures
- Cost and performance programs

The cooperation with Gerald and his team has always been constructive, goal-oriented, cooperative and successful and his assessments and opinions have not only been highly valued by our company, but they are also highly regarded by industry, government and the media.

AIRBORNE Consulting Hamburg GmbH is an international aviation & tourism consulting company providing advisory services to airlines, operators, airports, governments, civil aviation authorities and equity investors. Gerald leads a highly capable team with diverse backgrounds and combined, they have many years of experience as executives with airlines, airports, travel agencies, and other aviation related organizations.

With extensive and practical international and domestic experiences over more than 20 years, AIRBORNE offers expert knowledge from the best in aviation industry and a unique perspective to clients' solutions. AIRBORNE is characterized by a high degree of reliability, innovation, professionalism and extensive industry knowledge.

This enables AIRBORNE to ensure that projects are delivered to the highest standard of professionalism, quality and profitability while managing crucial risks and all project aspects in a holistic approach. I have personally witnessed the results of projects they've undertaken for clients by developing business strategies and structures that have been successfully implemented and maintained and couldn't recommend both Gerald and AIRBORNE more highly.
